

Example of Project using GA Entitlements (2.5% Local Share)

Snow Removal Equipment (SRE) Purchase

In 2009 Swiderski Implements was the low bidder for providing Snow Removal Equipment to the WisDOT – Bureau of Aeronautics. The equipment and costs are broken out below:

New Holland TV6070 Bi-Directional Tractor	\$102,917
New Holland Loader	8,304
Wausau R3612H Plow (12')	10,331
Loftness 1082H Snow-blower (2 stage)	10,838
Sweepster TR1112 Broom	24,329
Project Administration (BOA)	442
TOTAL COST	\$157,161

The TOTAL COST of the SRE is now broken out between the Federal, State & Local Shares.

FEDERAL SHARE (95%)	\$149,303
STATE SHARE (2.5%)	3,929
LOCAL SHARE (2.5%)	3,929
TOTAL COST	\$157,161

The SRE is a unique project, because the cost of the equipment is almost exactly the same amount as one year's Entitlements, plus the state share and local share. This rarely happens!
